

This material is for Asia use only.

Healy is designed to harmonize your Bioenergetic Field and enhance recovery, vitality and wellbeing, not to cure, treat, mitigate, diagnose or prevent disease. The information on these pages is for reference and educational purposes only. It should not be treated as a substitute for professional medical advice, diagnosis or treatment. You should always seek such advice from a qualified medical professional.

The content displayed by the HealAdvisor App does not constitute medical or, in case of use with pets or other animals, veterinary advice. Such advice can only be provided by a medical or veterinary professional. The Individualized Microcurrent Frequency Healy programs are intended solely for harmonization of the Bioenergetic Field. If your animal has or you suspect your animal may have a medical condition, or if your animal is under the care of a veterinarian, you should consult the animal's veterinarian before following these recommendations. Any personal data you upload to the HealAdvisor Cloud is encrypted to protect your privacy.
